Arneis is a traditional Italian grape variety, not widely planted in Australia but very well suited to the cool conditions in the Yarra Valley. Our Arneis displays the green apple, pear, almond and savoury characteristics that are typical of the variety and has a delicate and refreshing palate. It is an ideal wine match for antipasto, salad and seafood dishes.

100% ESTATE GROWN WINE

The vineyards of Coombe Farm surround the Maroondah Highway and St Huberts Rd, approximately five kilometres from here. Planted on the site of some of Victoria's first vineyards, the Coombe Farm vineyard estate is 132 acres in size and supplies super premium Chardonnay and Pinot Noir wine grapes to some of Australia's most recognised wine producers – but most importantly it supplies all the grapes for our own estate brand - Coombe Farm.

Our vines were planted for Pamela, Lady Vestey in the late 1990's. We produced our first wine (a Pinot Noir) in 2002 and opened our little Farm cellar door in 2007. In 2010 we received a FIVE STAR James Halliday rating – along with a listing as a 'Dark Horse' winery to watch – as a result of several 95+ wine scores.

Our wines are made only in very small volumes & while you may find them in some fine city restaurants, they are best purchased here across the courtyard at our Melba cellar door, down at our Farm cellar door amongst the vines – or online for home delivery.
