

COOMBE

YARRA VALLEY

As the festive dining and wedding seasons draw to a close and another successful grape harvest is over, Autumn and Winter are the seasons to relax, enjoy the fruits of our labours and simply absorb the provenance and beauty of our beautiful Estate.

**'WHAT IS THE GOOD OF THE WARMTH OF SUMMER -
WITHOUT THE COLD OF WINTER TO GIVE IT SWEETNESS'**

John Steinbeck

PROVIDORE & KITCHEN

We are overwhelmed with the popularity of our house-made produce.

We cannot keep up with the daily demand for our delicious sourdough, grain and fruit loaves and our seasonal range of jams & preserves are a 'must have' souvenir for every visitor.

Top of the list of course is our Peach Melba Jam and our Spiced Merlot Figs have developed an almost 'cult' following. We are very pleased to announce that a selection of products will soon be available for purchase online.

EVENTS & FUNCTIONS

Thirty five very happy couples have hosted their weddings at Coombe since late September 2015, most of them actually 'tying the knot' in our beautiful gardens. Our reputation is growing and the calendar is filling well into late 2017 and why wouldn't it when your memories can look like these stunning images.

Traditionally the cooler months are not as popular for wedding celebrations, but our gallery and restaurant offer an intimate and cosy, winter alternative – particularly for smaller parties.

AUTUMN/ WINTER

RESTAURANT

While we love the warmer months, Autumn & Winter are a fabulous time for dining in the warmth of our beautiful, cosy and sun-filled restaurant.

Our menu changes regularly to reflect the seasons, offering an extensive selection of delicious meals for every palate. Earlier this year we were very excited to receive a fabulous, full-page review in the Herald Sun citing Coombe as the perfect place for 'laid-back' lunches and afternoon tea – we couldn't agree more!

High Tea is available from 2:30pm every Wednesday & every third Saturday of the month.

Our Winter operating hours commencing 14 June until 3rd September are Monday & Tuesday - Closed, Wednesday – Friday 9:30am – 5pm, Saturday & Sunday 9am – 5pm.

GARDENS & GARDEN WALK

The warm weather may be behind us but the beautiful autumn colours, the winter roses and the Melba Story mean a visit to Coombe's gardens will always be enjoyable.

This winter the Gardens will close on Mondays and Tuesdays from June through August and Melba's Garden Walk will sojourn from July 4 – August 14 to allow our gardeners to continue the rejuvenation of one of Victoria's most historic formal gardens.

Bookings are essential, especially during our reduced operating hours and particularly for our Spring reopening in September.

FROM THE WINEMAKER

It's a wrap! The grape harvest is over for another year & the 2016 vintage wines are all safely tucked up in tank or barrel - maturing nicely before their release over the next year or so.

Harvest is an exciting, but very hectic time as we try to ensure all grapes are harvested at their optimal ripeness. This year has been a warm, dry and high yielding year - more hectic than most as many varieties ripened simultaneously - but the quality, particularly of the red varieties is very good. Our vineyard team have earned their fishing leave this year!

In the cellar we love the fresh, new look of our 2015 Coombe Farm wines, with all being presented in classic new packaging - looking elegant and refined on the table and more strongly identifying our brand. The 2015 wines are all fresh, bright, very tasty and have excellent cellaring potential as a result of perfect ripening conditions in the 2015 season.

Coombe Farm wines are only available from our Cellar Door, online and in the best restaurants and independent liquor stores.
