

Dame Nellie Melba travelled the world as one of the greatest opera singers to have ever lived. Her heart remained here, at her home, Coombe Cottage, named after her stay at Coombe House in London.

The seven acres of formal gardens at Coombe include the vegetable garden and orchard laid out at Melba's behest.

Coombe - The Melba Estates kitchen garden continues to grow seasonal produce used throughout our restaurant menu and available in the delicious preserves found at the Estates Providore.

Chef Neil Cunningham has created a menu that showcases the best Australian local and seasonal produce with an English influence

Melba surrounded herself with the best of everything, from art to food to celebrity - none more famous than French chef Auguste Escoffier who created the dishes Peach Melba and Melba toast for her while she was in Paris in the 1890's.
