The wine is rich and long, whilst remaining refined and elegant in its reflection of the cool Yarra climate.

The Coombe Yarra Valley vineyards are in the heart of the Yarra Valley.

Just 5km north of the Melba Estate, the 120-acre vineyard is one of the oldest in the valley and is still owned and operated by Melba’s descendants — the Vestey family.

The vineyard is well suited to grow premium, cool climate grapes. Chardonnay, Pinot Noir, Cabernet, Shiraz and Pinot Gris grow in carefully considered locations across the vineyard and each block is specifically selected for Coombe Yarra Valley Wines and to supply several Australia’s most recognised producers.
